

## **BRECKLAND COUNCIL**

### **DELEGATED DECISION RECORD**

This records a key or other decision taken by an Executive Member or the Cabinet in accordance with the Council's scheme of Delegations (as set out in Section D of Part 3 of the Council's Constitution).

Unless the Leader and the Chairman of the Overview and Scrutiny Commission certify that the matter is so urgent that the normal five-day scrutiny delay on action should not apply, then this decision will come into force and may then be implemented on the expiry of five working days after the publication of the decision, unless called in under the call-in procedures as set out in Section D of Part 3 of the Council's Constitution.

<b>Portfolio/Cabinet</b>	Cabinet
<b>Report Title (&amp; Reference No.)</b>	Electric Car Charging Points (Cabinet Minute No. 110/17)
<b>Summary Background</b>	In support of improving air quality within the district and making market towns more attractive to residents and visitors the Council is investigating the installation of electric car charging points within the area. This includes working in partnership with other authorities on a scheme being put forward for grant funding from Highways England and the introduction of charging points on Council owned property.
<b>Author/Contact Officer</b>	Andrew Grimley, Team Leader (Environmental Protection) (andrew.grimley@breckland.gov.uk)
<b>Ward(s) Affected</b>	All Wards
<b>Urgent?</b>	No
<b>Key Decision?</b>	Yes
<b>In Key Decision Plan?</b>	Yes
<b>Date Decision Taken</b>	Tuesday, 17 October 2017
<b>Date Published</b>	Tuesday, 17 October 2017
<b>Call-In Expiry</b>	Tuesday, 24 October 2017
<b>Exempt Information?</b>	No
<b>Decision (Action Agreed)</b>	<b><u>RESOLVED</u></b> that:  1) Breckland Council enters into a partnership of District Councils led by Babergh Council to apply for grant funding from Highways England to install rapid

	<p>charging points in four locations within the Breckland area adjoining the strategic road network; and</p> <p>2) Breckland Council has the right to withdraw from the scheme if the annual maintenance costs for each unit increases to more than £325 per annum.</p>
<b>Reasons(s)</b>	<p>By working with a group of Councils using suppliers from the Eastern Shires Purchasing Organisation (ESPO) to tender for installation of the rapid charging points to apply for and use grant funding from Highways England, Breckland Council can ensure that it obtains the installations at a competitive costs and demonstrate value for money.</p>
<b>Options</b>	<ul style="list-style-type: none"> <li>• Enter into a partnership arrangement led by Babergh Council, with a view to the installation of four rapid charging points at suitable locations within the Breckland area as set down in section 1.3 of the Cabinet report, in support of Highways England and to enhance provision locally to support market towns.</li> <li>• Do nothing.</li> </ul>
