Royal Mail has been contacted about this issue and their response is reproduced below. "Postal addresses are not intended to describe a precise geographical or administrative area. It is a sorting and routing instruction to postal staff which enables mail to reach its destination from any part of the country. Post code boundaries do not always mirror those of other institutions, such as county borders, as these often change with County Council responsibility. On occasion anomalies between postal geographical and administrative boundaries will arise and this is one such occasion".	

9. **WORK PROGRAMME AND MEETING SCHEDULE**

Members are invited to consider any additional items or topics for inclusion on the future work programme.

10. **NEXT MEETING**

To note the arrangements for the next meeting to be held on Tuesday, 18 September 2007 at 10.00am in the Council Chamber, Town Council Offices, King's House, Thetford.

PROTOCOL

The Working Style of the Policy Development & Review Panels

This document sets out the roles of Members and Officers, and the general principles to be adopted by the Policy Development & Review Panels (PD&RP) overseeing the Panel's mode of operation.

Member Leadership

Members of the Panel will undertake scrutiny topics as directed by the Overview & Scrutiny Commission (O&SC) and will recognise that best practice identifies scrutiny as a Member-led activity. The Panel will expect Cabinet members, to take responsibility for answering their questions about topics which primarily relate to the Council's activities.

A Constructive Atmosphere

Meetings of the Panel will be constructive and not judgmental. Panel recognises and accepts that effective scrutiny is best achieved through challenging and constructive enquiry. People giving evidence at Panel should be given due respect and not made to feel under attack.

Independence

Members of the PD&RP will not be subject to whipping arrangements by the party groups.

Respect and Trust

Meetings will be conducted in a spirit of mutual respect and trust.

Consensus

Members of the Panel will work together and, while recognising political allegiances, will attempt to achieve consensus and agreed recommendations. There will be recognition that the Panel has a primary duty to scrutinise on behalf of the community.

Openness and Transparency

The PD&RP's business will be open and transparent, except where there are sound reasons for protecting confidentiality. The minutes of the Panel's meetings will explain the discussion and debate so that they can be understood by an outside reader.

Impartial and Independent Officer Advice

Officers who advise and support the Panel will give impartial and independent advice, as officers support all members of the Council.

Regular Review

There will be regular reviews of how the scrutiny process is working, and a willingness to change if it is not working effectively.

Programming and Planning

The Panel will have a programme of work assigned by the Overview & Scrutiny Commission. The Panel will be able to suggest additional topics for review through the O&SC for approval in the work programme. Before each topic is commenced, the O&SC will agree the scope of the exercise, what information they will need initially, and which members, officers and external witnesses they wish to see.

Managing Time

The Panel will aim to conclude the business of each meeting in reasonable time. The order of business will be arranged as far as possible to minimise the demands on the time of witnesses. Where possible, members should give advance notice of specific questions being provided at the time of the meeting to save items being deferred.
