The Head of Development Management explained the reason for urgency. The applicant had lodged an appeal due to non-determination. 41/18 LOCAL PLAN UPDATE (STANDING ITEM) (AGENDA ITEM 7)

Alex Chrusciak, the Director of Planning and Building Control provided Members with an update on the Local Plan.

Breckland Council's draft Local Plan, which sets out a vision for growth in the District until 2036, would enter its final stages on 17 April 2018 when the Examination in Public commenced. These Hearing sessions would be held at Elizabeth House, Dereham and were expected to take place over four weeks spread over April, May and June.

The public Hearings would provide the opportunity for the appointed Government Inspector, Jonathan Manning, to address issues raised during the pre-submission consultation earlier in the year, in order to determine whether the Plan was 'sound' and legally compliant. Although all organisations and members of the public could attend to observe the Hearings, only those who submitted comments during the pre-submission period and who have been invited to do so by the Inspector, would be allowed to speak during these sessions.

A full schedule on the session, including the topics to be covered, would be published on the Council's website: www.breckland.gov.uk/localplanexaminationlibrary. To facilitate seating arrangements, the Council was asking the public who plan to attend to notify the Programme Officer (programme.officer@breckland.go.uk) in advance stating which session they plan to attend.

If the Plan was found to be sound by the Government Inspector, it was anticipated that the Local Plan would be adopted by Breckland Council in Autumn

2018.

The dates of the Hearing sessions based at Elizabeth House were as follows:

Week 1 – 17, 18, 19 April 2018

Week 2 – 09, 10, 11 May 2018

Week 3 – 15, 16, 17 May 2018

Week 4 – 05, 06, 07 June 2018

Referring to the five year land supply, Members were informed that monitoring of housebuilding for the past year was currently being undertaken by the Policy and Enforcement Team across the District to inform the next 5 year land supply statement which was due to be produced in June/July 2018.
