**Subject:** RE: JSh -Objection to Watton Post office Sell Alcohol,

Dear Josie,

The selling of alcohol at the Post Office Watton will encourage drinking at all times of the day and night disorderly behavior and an increase of Crime and the Congregation of groups of people.

living the the High Street 4 doors down with our bed rooms to the front this will disturb not only us but other residents with young Children in the High Street I am fearfully for my property and the safety of my customers during the day. On a number of occasions I have had to remove customers who are either drunk in the Coffee Shop or sitting out side on my tables and chairs drinking from a bottle out of a bag and they have become aggressive, this is with young family's in the Coffee Shop.

Out the front of the Post Office is a bus stop which is used by family's with young children who will be seeing people hanging around the said Post Office with cans of alcohol and can be very intimidating to young Children and the Older customers of the Post Office.

I would hope that we can keep the Post Office as Post Office and not just another stores.

While we are on the subject of change of use number 44a High Street is in the process of applying for a change of use to a drinking establishment I would like to object to this on the same grounds.

Kind regards

Peter Merry
