Opening of the Meeting

The Chairman opened the meeting by asking Members for a minutes silence in remembrance of retired Councillor Diane Foster who had passed away.

The Chairman went on to present a cheque to his nominated charity Norfolk Accident & Rescue Service (NARS). Throughout his year as Chairman he had raised £3860. He went on to say that it had been a pleasure to be the Chairman of Breckland Council.

49/16 CHAIRMAN

Nominations were invited.

Action By

After being duly proposed and seconded and with no other nominations being made it was **RESOLVED** that Councillor Bill Borrett be appointed Chairman of the Council for the ensuing year.

Councillor Borrett signed the Declaration of Acceptance of Office.

Councillor Borrett in the Chair.

50/16 VICE-CHAIRMAN

It was proposed and seconded that Councillor Kate Millbank be appointed Vice Chairman for the ensuing year.

Councillor Jermy presented an alternative proposal suggesting Councillor Keith Gilbert should be considered for Vice Chairman. This proposal was also seconded.

The proposed alternative was not supported.

It was **RESOLVED** that Councillor Kate Millbank be appointed Vice-Chairman for the ensuing year.

Councillor Millbank signed the Declaration of Acceptance of Office.

51/16 VOTE OF THANKS TO THE OUTGOING CHAIRMAN

The new Chairman thanked Councillor Bambridge on behalf of everyone for his thoroughness in undertaking his role as Chairman.

Councillor Crawford said Councillor Bambridge was an excellent ambassador for Breckland and thanked him for spending time in visiting Thetford.

Councillor Wassell echoed the comments made and said Councillor Bambridge did a fantastic job.

Councillor Gilbert thanked Councillor Bambridge for taking on the duty of the Chairman and he had been an excellent ambassador.

The retiring Chairman was presented with the ex-Chairman's medal to warm applause.

52/16 MINUTES

Councillor Jermy had noted that the previous Leaders resignation speech had not been attached to the minutes as specified on page 6. This had been an oversight, and would be attached to the minutes.

The minutes of the meeting held on 31 March 2016 were confirmed as a correct record and signed by the Chairman.

53/16 APOLOGIES

Apologies for absence were received from Councillors Bowes, T Carter, Jolly, L Monument, Oliver, Sherwood and Webb.

54/16 DECLARATION OF INTERESTS

No declarations were made.

55/16 CHAIRMAN'S ANNOUNCEMENTS

The chairman welcomed Councillor Askew back to the Council.

He informed Members that his chosen Charity would be SSAFA, a charity which provides lifelong support to service men and women and their families.

SSAFA worked in partnership with other military charities and specialist organisations to support those who have served with the British Army, Royal Navy and the Royal Air Force by providing services such as housing, mental illness support and services for children, and rely solely on charitable donations.

56/16 LEADER'S ANNOUNCEMENTS

The Leader updated Members on Devolution. All Leaders were meeting on the 18 May to discuss the shared vision, economics and governance of the devolution deal. He raised concerns that there were 23 Authorities that were struggling to meet to discuss the detail which was required to be signed off at the June Council meeting. This would allow for public consultation to begin at the beginning of July.

The timeline was very tight, and the scheme would be required to be presented to Leaders on 15 June. This included the Governance review, consultation questions and a quality impact assessment, all of which would then be presented to Full Council on 28 June. It was explained that the scheme was a high level constitution document which laid out the powers of the combined authority and the elected mayor.

A series of questions would be raised at the next meeting which included if a Mayor was a given and non-negotiable. How consensus would be reached on the powers of the Mayor, and what the voting powers would be. The apportionment of costs will also be discussed.

The Leader said he would circulate his briefing to Members, however if any Member had any concerns it was asked that they spoke with the Leader directly.

Councillor Gilbert said he agreed with the Leader. It was an issue of which all want to see happen but not in the way that it was being enforced.

Councillor Jermy asked if the public consultation would include options for with or without a Mayor. The Leader confirmed that the government would only accept the deal with a Mayoral state. He also added that work was underway to try and avoid duplication of the consultation.

57/16 QUESTIONS ON NOTICE UNDER STANDING ORDER NO 6

None.

58/16 QUESTIONS WITHOUT NOTICE UNDER STANDING ORDER NO 7

Councillor Crawford asked the Leader if information was available on the work Anglian Water would be doing at the School Lane Car Park in Thetford. The Executive Director Place would confirm the arrangements to all Thetford

RW

Councillors.

Councillor Newton asked the Leader how effective the CCTV was and how it demonstrated success. He had been told this information was not available, and asked for a written response regarding the contract, number of hours that had been paid for and the number of staff it involved. The Executive Member for Place reminded Members that the company which provided the CCTV went into administration, and other authorities, including Kings Lynn and West Norfolk Borough Council helped Breckland free for six months. Since then, an operational contract had been set up to cover the public places within the market towns with Kings Lynn and West Norfolk Borough Council of which the Police were happy with the system

The Leader said that the relationship with the Police had improved dramatically, with Anti-Social Behaviour reduced by 10% per annum. Members were invited to visit the control room to gain a better understanding of how the CCTV worked.

Councillor Taylor said he had received emails from the Highways regarding concerns of traffic provision at the Riverside project in Thetford. He had got concerns and asked the Leader if Breckland would be consulted on this. The Executive Member for Income & Prosperity confirmed there were two pieces of work being undertaking considering the developments in Thetford and the impact on car parks and traffic. As the Portfolio Holder, he was keen to ensure that the new developments would be accessible to all people and would work with Norfolk County Council on this.

Councillor Clarke informed the Executive Member Place that a service point for Norwich Credit Union had recently opened in his ward. He asked if Anglia Revenues Partnership, housing and other service areas would signpost residents to the free service if appropriate. The Executive Member Place confirmed that this sat with the Executive Member Growth Portfolio, who would look into this service.

CC

Councillor Newton added that he would like an email for the contracted hours for CCTV and how long it was monitored. The Executive Director Place confirmed that the CCTV was monitored for 24 hours a day, but the contracted hours were for 18 hours a day. The number of screens per individual was well within the service guidelines. Members were informed that in the last year a 1000 incidents were reported to Police by CCTV to follow-up, and two to three requests a week were received from the Police to review the CCTV. It was not possible to inform Members of the number of prosecutions as a result of using the CCTV as this information was not available. It was reiterated that the relationship with the Police had become extremely strong since the Operational Partnership Team had been situated at Breckland Offices. Councillor Newton asked for this information to be emailed to him.

RW

The Chairman said he was keen for Members to receive detailed answers to their questions raised and suggested that if questions were of a technical nature Members sent in their questions prior to the meeting.

64/16 APPOINTMENT OF COMMITTEES AND OTHER REPRESENTATIVES AND CHAIRMEN AND VICE CHAIRMAN 2016-2017

The Executive Director Strategy & Governance presented the report. The appointments of committees and other representatives had been tabled for Members a copy of which is attached.

It was **RESOLVED** that:

1. The Council appoints for 2016-2017 the Committees and Panels as set out in the attached document.
2. That Council appoints the Chairmen and Vice-Chairmen of those Committees.

65/16 REPRESENTATIVES ON OUTSIDE BODIES 2016 - 2017

The Executive Director Strategy & Governance presented the report. The representatives on outside bodies were tabled for Members, a copy of which is attached to the minutes.

It was **RESOLVED** that the council appoint representatives to serve on the list of Outside bodies (attached).

66/16 CAPITAL OUT-TURN 2015-16

The Executive Member Finance presented the report.

Action By

Councillor Jermy referred to the Capital receipts and asked if it would see an increase in the right to buy sales. The Chief Accountant said the figure did vary but would speak with the housing associations on the forecast figures.

AC

RESOLVED that:

- 1) the final capital budget, out-turn and funding for 2015-16 as detailed in appendix B be approved; and
- 2) the revised capital budget and associated funding for the 2016-17 capital programme as detailed in Appendix A be approved.

67/16 REFRESH OF CORPORATE PLAN & ACHIEVEMENTS TO DATE

The Deputy Leader presented the report. The corporate plan was fundamental in how the council operated and delivered its corporate objectives. The refreshed plan reflected on the progress made to date, and the priorities for the future. Minor changes had been made to reflect on the changing national political agenda around devolution and further development of the Council's plans such as the establishment of the Transformation Programme and Breckland Bridge.

Amendments to critical activities had been made to reflect the way in which the transformation programme was being delivered and working with partners to maximise investment and growth to link with the Open for Business action plan.

The Leader added that in recognition of the corporate plan the Council were keen to support the market towns to attract new businesses and visitors to the area. Graffiti had been reported in Thetford, and the Council had recognised that this was a problem, and agreed to arrange for it to be cleaned and taken back to the original state by the end of June.

Councillor Wassell hoped this offer was not exclusive to Thetford, but was open to the other market towns. The Leader confirmed that the contract was with Serco, and therefore applied to all market towns. He added that Breckland had a duty to do all it could to assist the town councils to move the market towns forward and promote their unique selling points.

Councillor Crawford thanked the Leader and Officers for the support. He asked if there were limited funds available in upgrade of Button Island. The Executive Member for Income and Prosperity said an issue was being dealt with and he would update the Thetford Members as soon as possible.

Councillor Wilkin was concerned about the money available for the A47 as it was a shocking piece of road. He said the A11 technology corridor had been made into a fantastic stretch of road and the A47 was no longer fit for purpose. He would champion that the A47 was dualled at every opportunity. The Leader was in favour of an upgrade and added that if or when the A47 was dualled that should ensure that the local market towns were promoted.

Councillor Jermy thought the Corporate Plan was a good document but there was little mention of how the Council would deal with housing waiting lists and would like to see this higher on the Council agenda. The Executive Member for Growth agreed and said that this was being considered at the moment. The Leader added that the information in the corporate plan had been pitched at a high level, and suggested that further information was available in the Housing Annual delivery plan.

Action By

RESOLVED that the contents of the report were noted and the Annual Corporate Plan Refresh 2016-17 be adopted.

68/16 AMENDMENTS TO THE CONSTITUTION (STANDING ITEM)

None.

69/16 ANY OTHER ITEMS WHICH THE CHAIRMAN DECIDES ARE URGENT -

Nothing to report.

The meeting closed at 11.22 am

CHAIRMAN

Full Council – 31 March 2016 – Michael Wassell standing down as leader.

Thank you Mr Chairman, and I can indeed confirm that it is my decision to stand down as Leader of this Council, for personal and private reasons.

My time as deputy leader and leader of Breckland Council have been enjoyable, challenging, rewarding and frustrating in equal measures. However I will take away some lasting memories both of places I have been to and people that I have had the pleasure of working with.

I want to thank all of the elected members who have supported and worked with me, I want to thank the cabinet members who I have worked with especially those that were involved with the Local Asset Backed Vehicle Process, which has resulted in the successful setting up of Breckland Bridge, as evidenced by the current Riverside development. Perhaps in a break with tradition I want to mention members of the opposition parties, I have enjoyed the debates that we have had in this council chamber, YOU have always been courteous and respectful to both myself and members of my cabinet, for which I thank you.

I believe that this council is now in a very strong position, we have a balanced budget, we are working towards removing our reliance on RSG, we now have an up to date corporate plan that reflects member's aspirations for the district that they serve, we are building both commercial property and also homes for our residents, we are building better relationships with our parishes and we have an emerging local plan that will ensure that we have a 5 year land supply, that could go a long way towards reducing the number of speculative planning applications we receive.

But none of this has happened without a great deal of work; that is a great deal of team work between Breckland members, Breckland's officers, and our partners. Breckland has what I would maintain is now the best group of officers of any council. I have had the honour of working closely with many officers at all levels of the council and I never fail to be impressed by their professionalism, integrity and desire to do the very best that they can, often under very trying circumstances. I want to particularly mention the Chief Executive and the 3 directors in all of whom I have the upmost confidence and respect and I want to thank them for the support that they have given to me. Truly I believe that the most valuable assets that Breckland has, are not the commercial buildings that we own, but the officers that work for the council and the members, across all parties who take an active, constructive and productive role in ensuring that they represent the residents that we all serve.

Thank you Mr Chairman, I look forward from this afternoon to getting my life back.
