

BRECKLAND DISTRICT COUNCIL

Report of: Maxine O'Mahony - Executive Director, Strategy and Resources
To: Full Council- Thursday 14th October
Author: Ryan Pack- Innovation and Change Business Partner
Subject: Risk Management Policy and Appetite Statement
Purpose: To present the Council's risk management policy for review

Recommendation(s):

- 1) That full council agrees to the adoption of the draft risk management policy

1.0 BACKGROUND

- 1.1 Breckland Council currently adheres to a risk management framework in order to manage and mitigate against risks at all levels of the organisation. This policy now needs to be renewed by both Governance and Audit Committee and full council. As stated in the policy itself, once renewed this policy runs for 18 months.
- 1.2 The current policy is recognised by the council's external audit team as a best practice example for the rest of the audit consortium. The Governance and Audit committee also had significant input in shaping the current policy
- 1.3 An extension was granted to the policy in February 2021, to allow for officers to conduct a more thorough review of the policy.
- 1.4 The changes made to the policy mainly include the changing of language as a result of the stand-alone management structure and the inclusion of formal definitions for the organisation to adopt in relation to risk management.
- 1.5 Other changes include the formalisation of practices which the council has previously done such as formalising the risk report structure, as this has changed over time since the policy was last agreed.
- 1.6 There have been no changes to the reporting frequency, risk management approach or to the current risk matrix structure.
- 1.7 Furthermore, appendix B relates to the adoption of a risk appetite statement by the council. This statement dictates the council's response to specific risks whereas the framework dictates the approach to risk management.
- 1.8 Assuming that the Governance and Audit Committee is content with the extension of the current policy, this report seeks for them to make a recommendation to full council to adopt policy extension.
