PLANNING POLICY NOTE

THE STRENGTH OF PLANNING POLICY IN DETERMINING PLANNING APPLICATIONS

The Planning process is set up, IN THE PUBLIC INTEREST, to protect the public from the unacceptable planning activities of private individuals and development companies. Planning is primarily concerned to deal with issues of land use and the way they affect the environment.

The Council has a DUTY, through the Town & Planning Acts, to prepare a "District Wide" Local Plan to provide a statutory framework for planning decisions.

Breckland's Plan contains the Council's planning policies, which must be consistent with Government guidance, particularly with the Planning Policy Guidance (PPGs). The Local Plan now carries significant weight as it was adopted in September 1999.

The full public scrutiny of the Council's proposals will give the Plan an exceptional weight when dealing with planning applications.

This shift towards a "Plan-led" planning system is a major feature of recent planning legislation. Under s54A of the Town & Country Planning Act 1990, ***planning applications should be determined in accordance with the policies of the Plan, unless material considerations which are relevant to planning indicate otherwise.***

PPG1 summarises the objectives of the "plan-led" system as:-

- achieving greater certainty;
- ensuring rational & consistent decisions;
- securing public involvement in shaping local planning policies;
- facilitating quicker planning decision; and
- reducing the number of misconceived planning applications and appeals.

Unless there are special reasons to do otherwise, planning permissions "run with the land", and are NOT personal licences.

The factors to be used in determining applications will relate to the effect on the "public at large" and will NOT be those that refer to private interests.

Personal circumstances of applicants "will rarely" be an influencing factor, **and then, only** when the planning issues are "finely balanced".

THEREFORE we will:

- **acknowledge the strength of our policies,**
- **be consistent in the application of our policy, and**
- **if we need to adapt our policy, we should do it through the Local Plan process.**

Decisions which are finely balanced, and which contradict policy will be recorded in detail, to explain and justify the decision, and the strength of the material planning reasons for doing so.

LOCAL COUNCILS

OCCASIONALLY, THERE ARE CONFLICTS WITH THE VIEWS OF THE PARISH OR TOWN COUNCIL. WHY IS THIS?

We ask local parish and town councils to recognise that all comments received are taken into account. In 2001, about 90% of cases had agreement.

Where we disagree it will be because:

- Districts look to "wider" policies, and national, regional and county planning strategy.
- Case law might dictate a course of action.
- There is extra information and views not available to the Local Council.
- There is an honest difference of opinion.
