# PROTOCOL

## The Working Style of the Policy Development & Review Panels

This document sets out the roles of Members and Officers, and the general principles to be adopted by the Policy Development & Review Panels (PD&RP) overseeing the Panel's mode of operation.

### **Member Leadership**

Members of the Panel will undertake scrutiny topics as directed by the Overview & Scrutiny Commission (O&SC) and will recognise that best practice identifies scrutiny as a Member-led activity. The Panel will expect Cabinet members, to take responsibility for answering their questions about topics which primarily relate to the Council's activities.

### **A Constructive Atmosphere**

Meetings of the Panel will be constructive and not judgmental. Panel recognises and accepts that effective scrutiny is best achieved through challenging and constructive enquiry. People giving evidence at Panel should be given due respect and not made to feel under attack.

### **Independence**

Members of the PD&RP will not be subject to whipping arrangements by the party groups.

### **Respect and Trust**

Meetings will be conducted in a spirit of mutual respect and trust.

### **Consensus**

Members of the Panel will work together and, while recognising political allegiances, will attempt to achieve consensus and agreed recommendations. There will be recognition that the Panel has a primary duty to scrutinise on behalf of the community.

### **Openness and Transparency**

The PD&RP's business will be open and transparent, except where there are sound reasons for protecting confidentiality. The minutes of the Panel's meetings will explain the discussion and debate so that they can be understood by an outside reader.

### **Impartial and Independent Officer Advice**

Officers who advise and support the Panel will give impartial and independent advice, as officers support all members of the Council.

### **Regular Review**

There will be regular reviews of how the scrutiny process is working, and a willingness to change if it is not working effectively.

### **Programming and Planning**

The Panel will have a programme of work assigned by the Overview & Scrutiny Commission. The Panel will be able to suggest additional topics for review through the O&SC for approval in the work programme. Before each topic is commenced, the O&SC will agree the scope of the exercise, what information they will need initially, and which members, officers and external witnesses they wish to see.

### **Managing Time**

The Panel will aim to conclude the business of each meeting in reasonable time. The order of business will be arranged as far as possible to minimise the demands on the time of witnesses. Where possible, members should give advance notice of specific questions being provided at the time of the meeting to save items being deferred.
