In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16”. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. This report is intended solely for the use of the Members of the audited body. We, as appointed auditor, take no responsibility to any third party.

1. Executive summary

The National Audit Office's Code of Audit Practice (the Code) requires us to report to those charged with governance – the Audit Committee – on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified. This report summarises the findings from the 2015/16 audit which is substantially complete. It includes messages arising from our audit of your financial statements and the results of the work we have undertaken to assess your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Below are the results and conclusions on the significant areas of the audit process.

Status of the audit	<p>We have substantially completed our audit of the financial statements of Breckland Council for the year ended 2015/16. Subject to satisfactory completion of the outstanding items included in Appendix A we anticipate issuing an audit opinion in the form which appears in Appendix D.</p> <p>We have performed the procedures outlined in our Audit Plan and anticipate issuing an unqualified opinion on the Authority and Group financial statements.</p> <p>We expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.</p> <p>We have performed the procedures required by the National Audit Office (NAO) regarding the Whole of Government Accounts submission. We have no issues to report.</p> <p>We expect to issue the audit certificate at the same time as the audit opinion.</p>
Audit differences	<p>There are no unadjusted audit differences.</p> <p>Our audit identified a small number of issues, predominantly to the disclosure notes, which our team have highlighted to management for amendment. These have been corrected during the course of our work.</p>
Scope and materiality	<p>In our audit plan presented at the 19 February 2016 Audit Committee meeting, we communicated that our audit procedures would be performed using a materiality of £1.4 million. We have reassessed this based on the actual results for the financial year and there has been no change to the materiality level we have applied.</p> <p>The threshold for reporting audit differences which impact the financial statements has also not changed.</p> <p>We also identified the following areas where misstatement at a level lower than our overall materiality level might influence the reader. For these areas we developed an audit strategy specific to these areas, the areas identified and audit strategy applied include:</p> <ul style="list-style-type: none"> • Remuneration disclosures including any severance payments, exit packages and termination benefits: Our audit strategy was to check the bandings reported in the financial statements, test the completeness of the disclosure and make sure that the disclosure was compliant with the Code. We sample checked transactions back to the payroll system and supporting documentation • Related party transactions: we reviewed the disclosure to the declarations made by officers and members, and the disclosed values to the ledger transaction reports for completeness and accuracy. <p>We carried out our work in accordance with our Audit Plan.</p>
Significant audit	<p>We identified the following significant audit risks during the planning phase of our audit,</p>

risks	<p>and reported these to you in our audit plan:</p> <ul style="list-style-type: none">• Preparation of group accounts• Risk of management override. <p>The 'addressing audit risks' section of this report sets out how we have gained audit assurance over these issues.</p>
Other reporting issues	<p>We have no other matters we wish to report.</p>
Control observations	<p>We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.</p>

We would like to take this opportunity to thank the Council's staff for their assistance during the course of our work.

2. Responsibilities and purpose of our work

The Council's responsibilities

The Council is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement (AGS). In the AGS, the Council reports publicly on the extent to which it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- Express an opinion on the 2015/16 financial statements and the consistency of other information published with them;
- Report on an exception basis on the Annual Governance Statement;
- Consider and report any matters that prevent us being satisfied that the Council had put in place proper arrangements for securing economy, efficiency and effectiveness in the use of resources (the value for money conclusion); and
- Discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

In addition, this report contains our findings related to the areas of audit emphasis and any views on significant deficiencies in internal control or the Council's accounting policies and key judgments.

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

3. Financial statements audit

Addressing audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

A significant audit risk in the context of the audit of the financial statements is an inherent risk with both a higher likelihood of occurrence and a higher magnitude of effect should it occur and which requires special audit consideration. For significant risks, we obtain an understanding of the entity's controls relevant to each risk and assess the design and implementation of the relevant controls.

Significant Risks (including fraud risks)	Audit procedures performed	Assurance gained and issues arising
<p>Preparation of group accounts</p> <p>This is the first year the Council will prepare group accounts, consolidating Breckland Bridge Ltd. The auditors have yet to be appointed to this new company.</p> <p>Production of statements and disclosure notes for the group accounts and the closedown and consolidation process therefore presents a significant financial statement risk.</p>	<ul style="list-style-type: none"> Reviewed the Council's identification of group components, together with their classification and assessment of materiality; Engaged with management to ensure that appropriate arrangements are in place to prepare the group accounts; and Ensured appropriate consolidation procedures are applied in preparing the group accounts, including the alignment of accounting policies. <p>We determined the group audit as specific scope and prepared interoffice group instructions setting out the scope of procedures required.</p>	<p>We reviewed the Council's assessment of control and subsequent accounting treatment. We considered the Council's 90% shareholding of the company and whether this constituted control under IFRS10, against the substance of the voting rights for operational decisions. We concluded that we did not wish the challenge the Council's assertion than in substance there is joint control, and the accounting therefore follows that of a joint venture.</p> <p>We undertook procedures to gain assurance over the material balances of the company, for the consolidation. We reviewed the consolidation, including alignment of accounting policies.</p> <p>We gained material assurances, and have no matters to bring to the attention of the Committee.</p>
<p>Risk of management override</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.</p>	<ul style="list-style-type: none"> Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements; Reviewed accounting estimates for evidence of management bias; Evaluated the business rationale for any significant unusual transactions; and Tested additions to property, plant and equipment to ensure it meets the relevant accounting requirements to be capitalised. 	<p>Our review of journals, estimates and property, plant and equipment additions identified no evidence of material management bias or override.</p> <p>We did not identify any significant unusual transactions.</p>

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to you oversight of the Council's financial reporting process, including the following:

- Qualitative aspects of your accounting practices; estimates and disclosures;

- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions;
- Any significant difficulties encountered during the audit; and
- Other audit matters of governance interest.

We have no matters we wish to report.

Control themes and observations

It is the responsibility of the Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have tested the controls of the Council only to the extent necessary for us to complete our audit. We are not expressing an opinion on the overall effectiveness of internal control.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

We have reviewed the Annual Governance Statement and can confirm that it not misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council.

Request for written representations

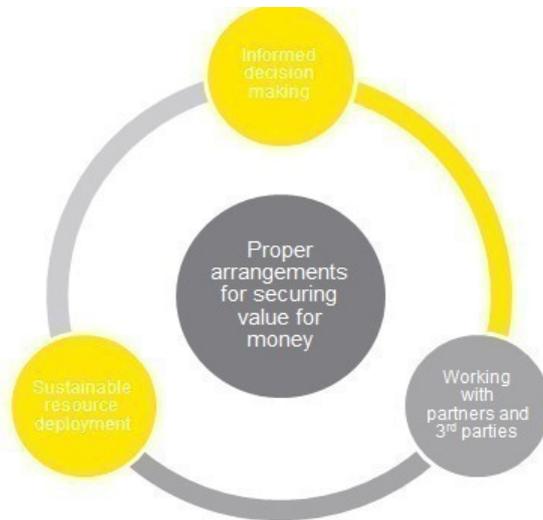

We have requested a management representation letter to gain management's confirmation in relation to a number of matters, as outlined in Appendix E. We have not requested any specific representations in addition to the standard representations.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

Following receipt of group instructions we have completed our work in this area and report our findings to the National Audit Office through an Assurance Statement. We have no issues to bring to the attention of the Audit Committee.

4. Value for money

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ▶ Take informed decisions;
- ▶ Deploy resources in a sustainable manner; and
- ▶ Work with partners and other third parties.

Overall conclusion

We did not identify any significant risks in relation to these criteria.

We have performed the procedures outlined in our audit plan. We did not identify any significant weaknesses in the Council's arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people.

We therefore expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.

Independent auditor's report to the members of Breckland Council

Opinion on the Authority's financial statements

We have audited the financial statements of Breckland Council for the year ended 31 March 2016 under the Local Audit and Accountability Act 2014. The financial statements comprise the:

- Authority and Group Movement in Reserves Statement,
- Authority and Group Comprehensive Income and Expenditure Statement,
- Authority and Group Balance Sheet,
- Authority and Group Cash Flow Statement,
- Related notes 1 to 31, and notes 1 to 5 to the Group Accounts; and
- Collection Fund and the related notes 1 to 3

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

This report is made solely to the members of Breckland Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Executive Director Commercialisation and auditor

As explained more fully in the Statement of Responsibilities for the Statement of Accounts set out on page 13, the Executive Director Commercialisation is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority and Group's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Executive Director Commercialisation; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Statement of Accounts 2015/16 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the financial position of Breckland Council and Group as at 31 March 2016 and of its expenditure and income for the year then ended; and

- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

Opinion on other matters

In our opinion, the information given in the Statement of Accounts 2015/16 for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we report by exception

We report to you if:

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council;
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Conclusion on Breckland Council's arrangements for securing economy, efficiency and effectiveness in the use of resources

Authority's responsibilities

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2015, as to whether Breckland Council had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether the Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, Breckland Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of our work, having regard to the guidance issued by the C&AG in November 2015, we are satisfied that, in all significant respects, Breckland Council put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

Certificate

We certify that we have completed the audit of the accounts of Breckland Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
