1.0 BACKGROUND

- 1.1 The Chartered Institute for Public Finance and Accountancy (CIPFA) document on “audit committees – practical guidance for local authorities and police” sets out the guidance on the function and operations of audit committees. It represents CIPFA’s view of best practice and incorporates the position statement previously issued.
- 1.2 The guidance state “the purpose of an audit committee is to provide those charged with governance independent assurance on the adequacy of the risk management framework, the internal control environment and the integrity of the financial reporting and annual governance processes.
- 1.3 The Section 151 Officer has overarching responsibility for discharging the requirements for sound financial management, and to be truly effective requires an audit committee to provide and support challenge.
- 1.4 Good audit committees are characterised by; balance, objective, independent, knowledgeable and properly trained members, a membership that is supportive of good governance principles, a strong independently minded Chair, an unbiased attitude and the ability to challenge when required.
- 1.5 It is therefore good practice to complete a regular self-assessment exercise against a checklist, to be satisfied that the committee is performing effectively. In addition, the Public Sector Internal Audit Standards also call for the committee to assess their remit and effectiveness, in relation to Purpose, Authority and Responsibility, to facilitate the work of this committee. This committee has been undertaking self-assessment exercises on a regular basis since 2008 and has taken action where necessary to ensure full compliance with best practice.

- 1.6 At a training session on the 1st December 2017, members reviewed and completed the two assessment tools, with this being sent round afterwards for comments. The new Independent Member provided the scoring in the second section as requested by the Committee.
- 1.7 The first part of the assessment is a yes / no response and covers:
- Purpose and Governance;
 - Functions of the Committee;
 - Membership and Support; and
 - Effectiveness of the Committee.
- 1.8 The second part of the assessment requires an assessment as to how the committee displays it is effective through the reports it receives, and is broken down into the following key areas:
- Promoting the principles of good governance and their application to decision making;
 - Contributing to the development of an effective Audit Committee;
 - Supporting the establishment of arrangements for the governance of risk and for effective arrangements to manage risks;
 - Advising on the adequacy of the assurance framework and considering whether assurance is deployed efficiently and effectively;
 - Supporting the quality of the internal audit activity, particularly by underpinning its organisational independence;
 - Aiding the achievement of the authority's goals and objectives through helping to ensure appropriate governance, risk, controls and assurance arrangements;
 - Supporting the development of robust arrangements for ensuring value for money;
 - Helping the authority to implement the values of good governance, including effective arrangements for countering fraud and corruption risks; and
 - Promoting effective public reporting to the authority's stakeholders and local community and measures to improve transparency and accountability.

2.0 **OPTIONS**

- 2.1 The alternative approach would be for the Governance and Audit Committee not to complete the Self-Assessment exercise; however, this would result in no assurance being provided that the Committee is assisting the Council in achieving good corporate governance, and is sufficiently proactive.

3.0 **REASONS FOR RECOMMENDATION(S)**

- 3.1 Completion of the Self-Assessment Checklist provides feedback on the effectiveness of the current arrangements, and ensures that best practice is followed by the Committee, and good corporate governance is achieved.

4.0 **EXPECTED BENEFITS**

- 4.1 The Governance and Audit Committee are able to demonstrate that best practice is followed and that they are proactive in helping to raise the profile of internal control, risk management and financial reporting matters at the Council.

5.0 **IMPLICATIONS**
