**Subject:** - New Premises Licence Application - The Royal Oak, Bintree  
**Attachments:** The Royal Oak Bintree - Application.pdf

I have looked at this application for a premises license and have no objections on the grounds of Environmental Protection.

I note that the applicant has applied to have live and recorded music outdoors until 22:30. The applicant should be mindful that the holding of a licence for such events does not negate the obligations of the responsible person to ensure that noise generated does not cause a statutory nuisance to nearby residential properties.

Kind regards

With reference to the licensing application in respect of the above.

I can advise that there are no specific planning restrictions relating to this site and as such we would be unable to raise any objection to the proposed licence variation in this instance.

Kind regards.

Dear licensing team,

This email confirms police have received the application for a premises licence and the DPS consent form for the above premises.

With those conditions offered in the application to promote the licensing objectives there are no police objections.

Chris Brooks
