

Parliamentary Constituency	District Ward	Polling District(s)	Polling Place	Polling Station used at the May 2019 Local Elections	Electorate	Acting Returning Officer's comments/proposal	Feedback on Polling Stations during May and December 2019 elections.	Comments received during the Review	Acting Returning Officer's final proposals
Mid Norfolk	All Saints & Wayland	AL1 - Parish of Caston	Parish of Caston	Caston Village Hall, The Street, Caston	395	There are no access issues , it is situated within the Polling District - Recommend: No Change to current arrangements	No Polling Station issues based on Polling Station Inspector & Presiding Officer comments	Residents response: I am writing in response to the recently published review of polling stations in Breckland. I have been involved with elections since 2004 and have been Presiding Officer of Caston Polling Station (AL1 – Caston & AL4 – Griston), for the last 8 years. I concur with the Council's recommendation not to change the location of the current Polling Station. The evidence for this recommendation are as follows: Electors in both Caston and Griston are familiar with the current location and any move would undoubtedly confuse the voters. The current location, (Caston Village Hall) has recently been subject to a significant refurbishment, which make it suitable i.e. disabled access and better toilets etc.Although Griston is the larger village, in every election I have been involved in, the percentage turnout for Caston has been significantly higher than Griston.The provision of a physical polling station provides an important role when compared against postal voting and any future plans to introduce electronic voting.	Recommend: No Change to current arrangements
Mid Norfolk	All Saints & Wayland	AL4 - Parish of Griston	Parish of Caston	Caston Village Hall, The Street, Caston	479	There are no access issues , however it is located outside of the Polling District (in Caston)as no suitable facility within the polling district, but convenient to voters - Recommend: No Change to current arrangements	No Polling Station issues based on Polling Station Inspector & Presiding Officer comments	Residents response: I am writing in response to the recently published review of polling stations in Breckland. I have been involved with elections since 2004 and have been Presiding Officer of Caston Polling Station (AL1 – Caston & AL4 – Griston), for the last 8 years. South West Norfolk	All Saints & Wayland	AL6 - Parish of Merton	Parish Of Thompson	Mobile Polling Station, Merton	94	This polling station is far from ideal as it is a portable building, with no disabled access. It is situated within the polling district. However there is no suitable alternative venue available in the area, due to the poor access and lack of amenities , the Polling Station will be moved to the nearest alternative station in the Parish of Thompson.	This is a mobile Polling Station (Hired Caravan) and is far from ideal - there is a potential to move the Polling Station to Thompson but this would mean electors voting outside of their village.	None	Recommend: No Change to Polling District but Polling Station to be relocated to Thompson Community Centre
South West Norfolk	All Saints & Wayland	AL7 - Parish of Quidenham	Parish of Eccles	Garnier Village Hall, Station Road, Eccles	365	There are no access issues , however it is located outside of the Polling District (in Eccles)as no suitable facility within the polling district, but convenient to voters - Recommend: No Change to current arrangements	No Polling Station issues based on Polling Station Inspector & Presiding Officer comments	Residents response: I have a car so am able to drive to Eccles but without a car it would be impossible as no bus service. A more suitable building could be used is Snetterton Church of World Horse Welfare building.	Recommend: No Change to current arrangements
South West Norfolk	All Saints & Wayland	AL13 - Parish of Snetterton	Parish of Eccles	Garnier Village Hall, Station Road, Eccles	155	There are no access issues , however it is located outside of the Polling District (in Eccles)as no suitable facility within the polling district, but convenient to voters - Recommend: No Change to current arrangements	No Polling Station issues based on Polling Station Inspector & Presiding Officer comments	None	Recommend: No Change to current arrangements

I have been told that lots of residents on that estate don't get to vote now because of the distance from where they live, which is the furthest from any polling station in our Ward.</p> <p>Councillor Response: As part of the review of Polling Districts, Polling Places and Polling Stations I'd like to submit the following observations:</p> <ol style="list-style-type: none"> Residents of St Martin's Way and Canon's Walk in Thetford voted for many years at Redcastle Community Centre (now Meet Up Cafe). This was changed to St Mary's Catholic Church at Newtown - this was not a popular decision locally and many residents of the area affected were disappointed with the move with some opting not to vote as a result. They have to walk past a polling station to go down the road to Newtown. If it can be amended so that they could vote at the one closer to their home then I am sure that this would be welcome. Residents of St Michael's Close in Thetford have expressed difficulty with travelling to Fulmerston Church which is quite some distance away for them. Newtown would be closer for them (and nearby streets, e.g. Nunnery Drive etc) or perhaps an additional polling station in that vicinity, St Michael's Close sheltered housing common room for example? just two suggestions for you to take on board. <p>Residents Response: I writing in regards to my current polling station. My polling station was originally at the Meet Up Cafe. I've lived at my address on Canons Walk for twenty years and I'd always vote at said station. When it was moved to St Marys Roman Catholic Church at Newtown, I stopped voting because of the distance from my house to the church. I'd only make the effort and vote on general elections. I don't drive so I'd have to walk and I was on the understanding that your polling station would be of walking distance and would be the nearest one to your home. I'd very much appreciate it if you changed it back to the Meet Up Cafe.</p> <p>Residents Response: I am sending this letters as Breckland Council is currently seeking the views of local residents re the above. The Polling Station for the above address used to be at the Meet-Up Cafe. This was very convenient for the residents on this estate as was within walking distance. I would definitely prefer to go there to vote. The Polling Station in St Mary's Catholic Church in Newtown, which I believe has been used for the last 3 years (I went there for the Brexit Vote) is quite a walk in comparison. In fact I got soaked to the skin when going there for the last council vote. Therefore, if there is a chance that we can revert back to voting in the Meet-Up Cafe I would be delighted, as I believe many others would on this estate.</p>	Recommend: No Change to current arrangements other than residents of St Martins Way and Canon Walk moving to Polling District TBU3
