**9/20 EASEMENT VALUATION AT STANFIELD HOUSE, SWAFFHAM**

The Executive Member for Contracts and Assets asked Members consideration for granting an easement relating to Council owned land at Lynn Road, Swaffham.

He informed Members that Officers were still in negotiation with the applicant to ensure that best value could be achieved and therefore recommended an alteration to Recommendation 2 listed in the report to read:

Due to the potential for inconvenience to be caused to the residents and visitors for the alternative route of the easement specifically those accessing Highfield Avenue during highway works, Cabinet concludes that the applicant's preferred route cable has significant merit. On this basis Cabinet accepts the applicant's offer subject to officers seeking to improve the terms, where possible.

Reasons for Recommendations

Granting the easement supports the application for the provision of new dwellings. The applicant's preferred route has merits to avoid unnecessary inconvenience to local residents.

Options

2. Refuse to grant an easement at the reduced fee of £12,000 and maintain the requirement for a fee of £24,000.
