

Briefing Note on Kings Head Public House, Whitehart Street, Thetford

At the end of November a complaint was received by Breckland Council that work was being carried out at the Kings Head and that there was rubble being placed to the rear of the property.

Officers of the Council attended the site following receipt of the complaint.

Following the site visit the Council took action to ensure the safety of the building.

The works on the Kings Head PH were completed on 22nd December 2020 and Whitehart Street was partially reopened.

Simon Wood

Director of Planning and Building Control
