3PE/2022/0086/PEA – Bylaugh Country Park Caravan and Campsite, Dereham Road, Bylaugh

We would need to know further details of the proposed activities. I have contacted the applicant and requested that he submit a certificate of lawfulness for proposed use application, to determine whether planning permission is required.

At this stage, with the limited details to hand, I would have concerns regarding the amenity impact of the proposed events on the neighbouring properties.

No objection to the supply of alcohol, provided this is a subsidiary use in connection with the use as a camping and caravanning site.
